BELID

SOFT SOUND OCTAGON

Soft Sound Octagon breaks the conventions with cylindrical shapes and offers an octagon shaped lighting fixture as a new and exciting design. Shape and material in modern expression, upholstered in beautiful wool textile from Pagunette. Available with a standard light motor for DALi or Switch Dim and as an alternative there is also tunable white technology for spaces that require Human Centric Lighting function. Effective sound absorbing properties and a high quality light engine ensuring comfortable lighting, all in one.
